

BETLIEN

TERMS OF SERVICE

Effective Date: June 1, 2026

IMPORTANT: BETLIEN IS AN 18+ ENTERTAINMENT GAME. BETLIEN COINS AND DIGITAL ITEMS HAVE NO CASH OR MONETARY VALUE AND CANNOT BE REDEEMED, WITHDRAWN, OR EXCHANGED FOR MONEY, TELEGRAM STARS, TON, CRYPTOCURRENCY, OR OTHER VALUE.

Operator: NHI Tech, LLC, a Wyoming limited liability company doing business as Betlien

Contact: betliengalactic@gmail.com

PLEASE READ THESE TERMS CAREFULLY

These Terms of Service (the "Terms") form a binding agreement between you and NHI Tech, LLC, a limited liability company organized under the laws of and domiciled in the State of Wyoming, United States, doing business as Betlien ("NHI Tech," "Betlien," the "Company," "we," "us," or "our"), regarding your access to and use of the Betlien Telegram bot, Telegram Mini App, website, game, community spaces, channels, social media accounts, content, features, and related services (collectively, the "Services"). By accepting these Terms electronically or accessing or using any part of the Services, you confirm that you have read, understood, and agreed to these Terms and our Privacy Policy. If you do not agree, do not use the Services.

THESE TERMS CONTAIN DISCLAIMERS, LIMITATIONS OF LIABILITY, AN INDEMNITY, AND - WHERE LEGALLY PERMITTED - AN AGREEMENT TO RESOLVE CERTAIN DISPUTES INDIVIDUALLY RATHER THAN THROUGH CLASS OR REPRESENTATIVE PROCEEDINGS.

KEY GAME AND PURCHASE TERMS

Topic	Summary
Age	You must be at least 18 years old and legally able to enter into these Terms.
Entertainment only	The Services are for entertainment. Chance-based game modes use only non-redeemable in-game Betlien Coins.
No cash value	Betlien Coins, NHIs, boosts, crates, energy, cosmetics, and other digital items are licensed digital content with no cash or monetary value.
Stars purchases	Eligible digital items may be purchased using Telegram Stars. Purchases are generally final except where required by law, Telegram rules, or correction of a delivery or processing error.
No token promise	No Betlien token, airdrop, allocation, investment return, ownership interest, or future benefit is promised or guaranteed.
Changes	Game balance, prices, mining rates, item effects, content, seasons, and availability may change or be discontinued.
Support	Payment or account support is available through the official community at https://t.me/BetlienGame or by email at betliengalactic@gmail.com .
Operator	NHI Tech, LLC, a Wyoming limited liability company doing business as Betlien.
Restricted access	You must remain legally eligible to use the Services and must not access them from, through, or for the benefit of a Prohibited Country or Prohibited Person.

1. Acceptance of These Terms

1.1 By selecting an "I Agree," "Accept," "Continue," purchase, launch, or similar button presented with these Terms, or by accessing, launching, browsing, joining, interacting with, or using any Service after the Terms are made available to you, you electronically sign and accept these Terms. You also agree to comply with any supplemental rules, purchase disclosures, event rules, community guidelines, and notices displayed within the Services. If supplemental terms conflict with these Terms, the supplemental terms control only for the specific feature or activity they govern.

1.2 You may not use the Services on behalf of another person or entity unless you are authorized to bind that person or entity. If you use the Services for an organization, you represent that you have authority to bind it, and "you" includes that organization.

1.3 You consent to conduct transactions and receive records electronically. Your acceptance action, Telegram account identifier, timestamp, applicable Terms version, language selection, purchase confirmations, and related electronic records may be retained and used to evidence your assent and transactions. You should save or print a copy of these Terms for your records.

2. Eligibility and Age Requirement

2.1 The Services are intended only for adults who are at least 18 years old. By using the Services, you represent and warrant that you are at least 18, have legal capacity to enter into these Terms, and are not prohibited from using the Services under applicable law.

2.2 Betlien does not knowingly permit minors to use the Services. We may request age or identity verification and may suspend or terminate access if we reasonably believe the eligibility requirements are not met. Misrepresenting age or identity is prohibited.

3. The Services and Entertainment-Only Nature

3.1 Betlien is a fictional, entertainment-focused game experience that may include mining, collection, progression, social features, referrals, digital purchases, randomized rewards, community content, and chance-based or simulated game modes such as slots, blackjack, roulette, dice, coin flip, jackpot or wheel mechanics, crates, and other games.

3.2 Chance-based game modes use only Betlien Coins or other non-redeemable in-game resources. Betlien Coins cannot be purchased directly and cannot be sold, transferred, withdrawn, redeemed, exchanged, or converted into Telegram Stars, TON, cryptocurrency, fiat currency, prizes, goods, services, or anything else of monetary value. There is no cash-out mechanism.

3.3 The Services do not offer real-money gambling, cash wagering, cash prizes, or monetary returns. No gameplay outcome creates a debt owed by Betlien. You must not use the Services as a substitute for gambling, financial activity, or investment activity, or attempt to create an unauthorized secondary market for Accounts, Betlien Coins, or digital items.

3.4 Game references to UFOs, extraterrestrials, disclosure, governments, intelligence agencies, military facilities, public events, public figures, or historical claims are fictionalized, satirical, speculative, or entertainment content unless expressly stated otherwise. Betlien does not represent that fictional lore is factual or officially verified.

4. Telegram and Other Third-Party Platforms

4.1 The Services may operate through Telegram and may connect with third-party platforms, social networks, analytics providers, hosting services, wallet providers, advertising providers, and other vendors. Your use of those services is also governed by their own terms and privacy practices.

4.2 Betlien is operated by NHI Tech, LLC and is independent from and is not sponsored, endorsed, administered by, or affiliated with Telegram, The Open Network or TON Foundation, Apple, Google, any telecommunications carrier, any government, regulator, military, intelligence agency, law-enforcement agency, space agency, or public authority.

4.3 Telegram and other third parties control their own platforms and may change, restrict, suspend, remove, or discontinue features without notice. Betlien is not responsible for third-party outages, account restrictions, platform decisions, lost access, data practices, payment systems, content moderation, or security failures outside Betlien's reasonable control.

5. Accounts and Registration

5.1 A Betlien account may be created or associated with your Telegram account when you start or use the Services. We may receive and process information made available by Telegram or other connected services, such as Telegram user ID, username, display name, profile information, language, referral source, and authentication data.

5.2 You must provide accurate information, keep it current, and maintain only one Account unless Betlien expressly permits otherwise. You may not create Accounts using false identities, stolen credentials, automated systems, or information belonging to another person without authorization.

5.3 You are solely responsible for securing your Telegram account, devices, sessions, passwords, authentication methods, and any connected wallet. You are responsible for activity occurring through your Account unless applicable law provides otherwise. Notify us promptly if you suspect unauthorized use.

5.4 Accounts and access rights are personal, revocable, non-exclusive, non-transferable, and non-sublicensable. You may not sell, rent, trade, gift, lend, sublicense, or transfer an Account, progression, referral position, Betlien Coins, or digital items except through a feature expressly authorized by Betlien.

6. License to Use the Services

6.1 Subject to these Terms, NHI Tech, LLC grants you a limited, personal, revocable, non-exclusive, non-transferable, and non-sublicensable license to access and use the Services solely for lawful, personal entertainment.

6.2 No ownership rights are transferred to you. NHI Tech, LLC, Betlien, and their licensors retain all rights in the Services, including software, code, game systems, artwork, characters, NHIs, names, logos, music, sound, stories, text, designs, databases, and other content.

6.3 Except as expressly permitted, you may not copy, modify, distribute, sell, lease, reverse engineer, decompile, scrape, extract, mirror, frame, create derivative works from, bypass security for, or commercially exploit the Services or any portion of them.

7. Virtual Currency and Digital Items

7.1 "Virtual Content" includes Betlien Coins, energy, boosts, crates, NHIs, cosmetics, upgrades, progression, referral rewards, badges, access rights, and any other digital item, balance, entitlement, or feature displayed in the Services.

7.2 Virtual Content is licensed, not sold. It has no cash value, monetary value, property value, or value outside the Services. Virtual Content is not currency, cryptocurrency, electronic money, a security, a commodity, a deposit, a stored-value product, or a claim against Betlien.

7.3 Virtual Content may not be transferred, sold, exchanged, pledged, gifted, or monetized except through an express in-Service mechanism authorized by Betlien. Any unauthorized transaction is void and may result in suspension, reversal, forfeiture, or termination.

7.4 Betlien may manage, regulate, rebalance, modify, rename, replace, reduce, increase, expire, or remove Virtual Content and its attributes, availability, rarity, utility, price, or effects. We may correct erroneous balances, duplicated items, exploit-derived rewards, or other inaccuracies. To the maximum extent permitted by law, no compensation is owed for these changes.

7.5 Virtual Content may be lost when an Account is suspended, terminated, deleted, reset, or inactive, when the Services are discontinued, or when required for fraud prevention, legal compliance, or platform integrity.

8. Telegram Stars and Digital Purchases

8.1 Certain eligible digital goods or services may be offered through Telegram Stars, including boosts, energy, crates, NHIs, cosmetics, and similar in-game content. Available products, prices, quantities, duration, and disclosed functionality are shown at the time of purchase and may change prospectively.

8.2 You authorize the applicable payment platform to charge the number of Telegram Stars shown before confirmation. You are responsible for reviewing the purchase details, maintaining sufficient Stars, and ensuring that the purchase is authorized.

8.3 Except where required by applicable law, required by Telegram's rules, or approved by Betlien to correct non-delivery, duplicate processing, technical error, or another verified issue, purchases are final and non-refundable. Betlien may correct payment errors by crediting or debiting the affected Account or, where available, using the same payment mechanism.

8.4 If purchased digital content is not delivered as described, contact the official Betlien community at <https://t.me/BetlienGame> or email betliengalactic@gmail.com. You must provide reasonable transaction details and cooperate with verification. Betlien may decline unsupported, fraudulent, abusive, untimely, or platform-ineligible requests.

8.5 A chargeback, payment reversal, refund abuse, unauthorized purchase claim, or platform payment dispute may result in reversal of associated Virtual Content, suspension, or termination, without limiting other rights.

8.6 Prices may vary by platform, region, time, offer, user segment, tax treatment, or other factors permitted by law. Any taxes, carrier fees, exchange costs, or platform charges imposed by a third party are governed by that third party.

8.7 EU/EEA and UK Digital Content; Immediate Performance and Withdrawal Rights. Where applicable law provides a withdrawal or cancellation right for digital content, and you request immediate supply or performance before the

applicable withdrawal period expires, Betlien will seek your separate prior express consent to begin performance and your acknowledgement that, once supply begins, you may lose that withdrawal or cancellation right. The purchase flow or applicable platform may record this consent and acknowledgement. Any transaction for which a legally required consent or acknowledgement was not validly obtained will be handled in accordance with applicable law.

9. Randomized Rewards, Crates, and Chance Mechanics

9.1 Some features may provide randomized outcomes, rarity-based rewards, probability ranges, or chance-based results. Where displayed, rarity information, probability ranges, or other descriptive information is part of the applicable feature disclosure. Betlien does not promise that numerical odds will always be displayed except where required by applicable law.

9.2 Randomized outcomes are generated under the game rules and systems in effect at the time of use. Past outcomes do not predict future outcomes. Unless expressly stated, there is no guarantee of a particular item, rarity, sequence, or result.

9.3 Betlien may prospectively modify reward pools, rarity classifications, probability ranges, duplicate handling, guaranteed minimums, pity mechanics, and related systems. Such changes do not entitle users to refunds for previously completed transactions, except where applicable law requires otherwise or a prior representation was materially inaccurate.

9.4 You may not manipulate, exploit, interfere with, reverse engineer, or attempt to predict or alter randomized systems. Betlien may invalidate affected outcomes and remove resulting Virtual Content.

9.5 UK Paid Randomized Reward Safeguards. The Services are 18+ and Betlien will not knowingly offer paid randomized-reward features to persons under 18. Where a paid randomized-reward feature is offered to a user in the United Kingdom, Betlien will provide clear information about the randomized nature of the content and will provide probability disclosures or meaningful probability ranges before purchase where required by applicable law or platform rules. Betlien may also provide purchase-history information, spending prompts, cooldowns, voluntary account-level purchase restrictions, or links to platform spending controls, as technically available. A UK user may contact support to request an account-level purchase restriction or account closure.

9.6 A verified purchase made by a minor without authorization will be handled in accordance with applicable law, Telegram rules, and the correction standards in Section 8. Betlien may request reasonable evidence and may deny fraudulent, abusive, duplicated, or unverifiable requests.

10. Mining, Progression, and Game Balance

10.1 Mining rates, timers, session lengths, multipliers, upgrade costs, reward formulas, progression requirements, level caps, energy systems, and other mechanics are part of a live game economy and may be changed, rebalanced, paused, reset, or discontinued.

10.2 Estimates, counters, animations, projections, and displayed rates may be rounded, delayed, approximate, or affected by connectivity, device state, server processing, anti-cheat review, or technical limitations. Server records control in the event of a discrepancy, subject to applicable law.

10.3 Betlien may run seasons, events, tests, experiments, limited-time offers, staged rollouts, or different feature configurations for different users. Participation does not create a right to continued access or equal availability of every experimental feature.

11. Referral and Promotional Programs

11.1 Betlien may offer referral programs under which eligible users receive non-cash Betlien Coins or other Virtual Content based on qualifying activity by referred users. Current referral terms may be displayed in the Services and may be changed, limited, suspended, or ended prospectively.

11.2 Referral rewards are promotional game benefits only. They are not cash, commissions, wages, royalties, securities, ownership interests, revenue sharing, or a promise of compensation. They cannot be redeemed or transferred unless Betlien expressly states otherwise.

11.3 Self-referrals, duplicate Accounts, fake users, bots, click farms, paid or incentivized traffic that violates program rules, misleading promotion, spam, impersonation, account cycling, collusion, and other manipulation are prohibited. Betlien may withhold, reverse, or remove rewards and suspend related Accounts.

12. No Token, Airdrop, Investment, or Future-Benefit Promise

12.1 No Betlien token currently exists unless and until Betlien expressly announces an official launch through verified channels. Betlien may consider a token, blockchain feature, collectible, or other ecosystem element in the future, but no launch, timing, eligibility, allocation, value, utility, or continuation is guaranteed.

12.2 Playing, spending, mining, holding Virtual Content, connecting a wallet, referring users, joining a community, completing tasks, ranking on a leaderboard, or participating in any season does not create any contractual or other right to receive a token, airdrop, allocation, reward, equity, ownership, revenue share, dividend, interest, profit, return, reimbursement, or other financial benefit.

12.3 Do not use or purchase anything in the Services based on an expectation of profit, token appreciation, future liquidity, or a future distribution. Any statements about future seasons, launches, ecosystem development, tokens, or blockchain features are forward-looking plans that may be changed, delayed, or cancelled without liability.

12.4 Betlien does not provide investment, legal, tax, financial, or trading advice. You are solely responsible for evaluating any future third-party or blockchain-related risk.

13. Wallets and Blockchain-Related Features

13.1 The Services may permit connection of a non-custodial wallet or interaction with third-party wallet software. Betlien does not custody, control, store, or recover your private keys, seed phrases, passwords, or wallet credentials. Never provide them to Betlien or anyone claiming to represent Betlien.

13.2 Connecting a wallet does not entitle you to money, prizes, tokens, airdrops, or other value. Betlien will not initiate a blockchain transaction without the transaction being presented for approval through the applicable wallet or protocol, but you are solely responsible for reviewing and authorizing every transaction.

13.3 Blockchain transactions may be irreversible. Betlien is not responsible for incorrect addresses, user error, compromised wallets, phishing, malicious contracts, third-party wallet failures, network congestion, gas or transaction fees, forks, validator failures, protocol changes, lost credentials, or unauthorized transactions outside Betlien's reasonable control.

13.4 Betlien may disable wallet features, reject or restrict wallet connections, or require additional verification where reasonably necessary for security, fraud prevention, sanctions compliance, platform rules, or applicable law.

13.5 Identity, Age, and Compliance Verification. Betlien may require information or documents reasonably necessary to verify age, identity, residency, location, payment authorization, source of payment or funds, beneficial ownership, control of an Account or wallet, sanctions status, or eligibility for a feature. Verification may be required before or after a purchase, wallet connection, promotion, reward, account recovery, or other activity presenting legal, fraud, security, or financial-crime risk.

13.6 The Services are not intended to provide banking, deposit-taking, money transmission, currency exchange, brokerage, custodial, investment, or financial-advisory services. Betlien does not custody your private keys and does not promise to introduce any token, transferable-value, payout, exchange, or financial feature.

13.7 Betlien may use third-party identity, age-assurance, fraud-prevention, sanctions-screening, wallet-screening, or blockchain-analytics providers. Betlien may delay, refuse, restrict, reverse, or review activity and may preserve or disclose relevant information to Telegram, payment or wallet providers, law-enforcement agencies, regulators, sanctions authorities, or other competent bodies where permitted or required by applicable law. Any report or disclosure will be made only under the legal regime applicable to Betlien and the relevant activity; Betlien does not represent that it is subject to any particular suspicious-activity-reporting regime.

13.8 You must provide accurate, complete, and current information and cooperate with reasonable verification requests. Failure or refusal to do so may result in purchase restrictions, feature restrictions, suspension, or termination. To the maximum extent permitted by law, Betlien is not liable for delay, loss of access, or loss of non-cash Virtual Content resulting from a reasonable good-faith compliance action.

14. User Content and Community Spaces

14.1 "User Content" includes messages, posts, usernames, profile elements, screenshots, reviews, memes, artwork, UFO reports, feedback, contest entries, support communications, and other material submitted, displayed, or shared through or in connection with the Services.

14.2 You retain ownership of your User Content. You grant Betlien a worldwide, non-exclusive, royalty-free, transferable, sublicensable license to host, store, reproduce, adapt, format, translate, publish, display, perform, distribute, moderate, and use User Content as reasonably necessary to operate, secure, improve, promote, and market the Services. This includes reposting public community submissions, usernames, screenshots, achievements, reviews, and memes on Betlien channels and social accounts, subject to applicable law.

14.3 You represent that you own or have all rights needed for your User Content and that its use as permitted by these Terms will not infringe intellectual property, privacy, publicity, contractual, or other rights; violate law; or expose Betlien or others to liability.

14.4 Betlien has no obligation to monitor User Content but may review, remove, limit, preserve, disclose, or report it when reasonably necessary for moderation, safety, legal compliance, enforcement, or protection of users and the Services.

15. Community Rules and Prohibited Conduct

You must not, directly or indirectly:

- violate any law, regulation, court order, sanctions restriction, export control, platform rule, or third-party right;
- use the Services for fraud, theft, money laundering, terrorist financing, sanctions evasion, trafficking, exploitation, hacking, phishing, malware, scams, or other Illicit Activity;
- harass, threaten, stalk, dox, impersonate, defame, exploit, or target another person, or post hateful, abusive, sexually exploitative, or unlawful content;
- promote or facilitate real-money gambling, unauthorized wagering, cash-out schemes, secondary markets, or exchanges involving Betlien Accounts or Virtual Content;
- cheat, collude, manipulate outcomes, exploit bugs, automate gameplay, use bots or scripts, use multiple Accounts to gain advantages, tamper with clients or servers, or circumvent technical restrictions;
- scrape, crawl, harvest, index, extract, or collect data from the Services except through authorized functionality;
- interfere with security, availability, integrity, or operation of the Services, including denial-of-service activity, code injection, reverse engineering, or unauthorized access;
- send spam, unsolicited promotions, deceptive referrals, fake reviews, misleading endorsements, or unauthorized commercial content;
- infringe intellectual property, privacy, publicity, confidentiality, or other rights;
- misrepresent affiliation with Betlien, Telegram, TON, a government, public agency, or another person or organization; or
- help, encourage, or enable another person to do any of the above.

Betlien may investigate suspected violations and may use automated or manual methods to detect abuse. Enforcement decisions may include warnings, content removal, reward reversal, Account restrictions, purchase restrictions, suspension, termination, and referral to platforms or authorities.

16. Prohibited Country, Prohibited Person, Sanctions, and Illicit Activity

16.1 Definitions

"Prohibited Country" means any country, territory, region, or jurisdiction: (a) subject to comprehensive or material trade, economic, financial, technology, export, or services restrictions applicable to NHI Tech, LLC, Betlien, the Services, a relevant platform, payment provider, wallet provider, transaction, or user; (b) identified in a Restricted Jurisdictions Notice; or (c) where access to, receipt of, or use of the Services would be unlawful or would expose Betlien or another person to legal, regulatory, sanctions, security, or platform risk.

"Restricted Jurisdictions Notice" means a current user-facing compliance notice, list, or restriction displayed through the Services or an official Betlien legal page from time to time. A published notice is incorporated into these Terms by reference, but does not limit the broader definitions in this Section. Betlien may also maintain confidential internal

screening criteria, risk indicators, and restricted-person or restricted-jurisdiction rules that are not disclosed where disclosure could facilitate circumvention, fraud, or security abuse.

"Prohibited Person" means any individual or entity that: (a) appears on an applicable sanctions, blocked-person, denied-party, terrorist, debarred, or restricted-party list; (b) is owned 50% or more in the aggregate by one or more blocked persons where the applicable sanctions regime uses that standard, or is otherwise owned or controlled under the applicable regime; (c) acts directly or indirectly for, on behalf of, at the direction of, or for the benefit of a restricted or blocked person; (d) is located, organized, resident, or ordinarily resident in a Prohibited Country where the relevant activity is prohibited; (e) is subject to asset blocking, transaction prohibitions, export restrictions, or similar measures; or (f) is otherwise prohibited from receiving the Services under applicable law.

"Sanctions" means economic, financial, trade, export-control, anti-terrorism, anti-boycott, or similar restrictions administered or enforced by any authority with jurisdiction over NHI Tech, LLC, Betlien, the Services, a relevant platform, payment provider, wallet provider, transaction, or user.

"Illicit Activity" means activity involving or reasonably suspected to involve fraud, corruption, theft, hacking, malware, phishing, money laundering, terrorist financing, sanctions evasion, trafficking, exploitation, illegal gambling, unlawful financial services, market manipulation, evasion of law enforcement, concealment of criminal proceeds, or any other unlawful or abusive conduct.

16.2 Ongoing Representations and User Responsibility

Each time you access or use the Services, create or use an Account, make a purchase, connect a wallet, claim a reward, or use a restricted feature, you represent, warrant, and reaffirm that: (a) you are not a Prohibited Person; (b) you are not accessing or using the Services from, through, on behalf of, at the direction of, or for the direct or indirect benefit of a Prohibited Country or Prohibited Person in violation of applicable restrictions; (c) your activity is lawful where you are located and where the activity occurs; and (d) you will not use the Services for Illicit Activity or to evade Sanctions, export controls, platform restrictions, or legal requirements.

You are solely responsible for determining whether you are legally eligible to use the Services and for monitoring changes in applicable law, Sanctions, published Restricted Jurisdictions Notices, and your own status. Technical availability, successful access, receipt of a message, completion of a purchase, or failure by Betlien or a third party to detect or block your activity does not constitute authorization, approval, confirmation of legality, waiver, or a representation that you are eligible.

16.3 Prohibited Circumvention

You may not conceal, falsify, route, or misrepresent identity, ownership, control, residence, location, destination, source, beneficial user, or purpose in order to avoid a restriction. Prohibited methods include using a VPN, proxy, Tor, remote desktop, spoofed GPS or device data, false or borrowed identity, nominee, intermediary, account sharing, rented, purchased, stolen, or transferred Account, multiple Accounts, third-party device, person outside the restricted location, wallet-routing arrangement, mixer, tumbler, chain obfuscation, or any other method where used to evade restrictions or cause Betlien or another person to violate law or platform rules. You may not assist, direct, enable, or knowingly permit another person to do so.

16.4 Screening; No Universal Monitoring Obligation

Except to the extent required by applicable law, Betlien may, but is not obligated to, perform geolocation, age, identity, sanctions, wallet, payment, device, or transaction screening and is not required to conduct continuous, universal, real-time, or manual monitoring of every user, country, Account, wallet, purchase, or activity. No failure or delay in screening, detecting, blocking, or taking action transfers your compliance responsibility to Betlien. Nothing in this Section limits any obligation of NHI Tech, LLC that applicable law does not permit it to disclaim.

Betlien may collect and assess Account, Telegram, device, IP address, approximate-location, wallet, payment, platform, transaction, network, and behavioral information; rely on information from platforms, service providers, public lists, authorities, and third-party screening providers; request information or documents; and take reasonable good-faith action without independently verifying every underlying data point.

16.5 Compliance Actions and Consequences

Where Betlien reasonably believes that a restriction, legal requirement, fraud risk, security risk, or platform obligation may apply, it may, with or without advance notice: deny or block access; refuse or cancel a purchase, wallet connection,

reward, claim, referral, or pending activity; restrict features; reverse or remove associated non-cash Virtual Content; freeze an Account or activity while reviewing it; require verification; prevent creation of replacement Accounts; suspend or terminate access; preserve records; or make reports or disclosures to platforms, providers, authorities, or other competent bodies where permitted or required by law.

To the maximum extent permitted by law, Betlien may take these actions without liability, reimbursement, restoration, or compensation, including for lost access, progression, opportunities, or non-cash Virtual Content. You must provide accurate information and cooperate with reasonable compliance requests. No provision requires Betlien to complete or facilitate an activity that it reasonably believes may violate law or expose it or another person to legal, regulatory, sanctions, fraud, security, or platform risk.

16.6 Updates to Restrictions

A Restricted Jurisdictions Notice or related eligibility restriction may be updated immediately when reasonably necessary to reflect a change in law, sanctions, platform requirements, provider requirements, security conditions, or compliance risk. Each later access or use constitutes a renewed representation that you remain eligible. If you become ineligible, you must immediately stop using the Services and must not attempt to transfer or preserve access through another person or Account.

17. Privacy and Data Use

17.1 Our collection and use of personal information are described in the Betlien Privacy Policy, which is incorporated into these Terms by reference. Depending on how you use the Services, information may include Telegram identifiers and profile information, gameplay data, referral data, purchase history, support communications, IP address, approximate location, device and browser information, wallet address, analytics events, advertising interactions, security signals, and other data described in the Privacy Policy.

17.2 Betlien may use service providers for hosting, databases, analytics, diagnostics, error reporting, advertising, communications, security, wallet connectivity, and platform operations. These may include services such as Telegram, Google Analytics, Firebase, Sentry, Vercel, Netlify, MongoDB, PostHog, Cloudflare, TON Connect, advertising pixels, and email providers, where used from time to time.

17.3 We may use data to operate and improve the Services, personalize features, process purchases, prevent fraud, enforce these Terms, perform analytics, measure campaigns, secure systems, comply with law, and communicate with users. Where required, we will provide notices or obtain consent.

18. Advertising, Sponsored Content, and Third-Party Offers

18.1 The Services may display advertising, sponsored content, affiliate links, rewarded ads, cross-promotions, third-party offers, or tasks involving external content. Unless expressly stated, Betlien does not endorse and is not responsible for third-party products, claims, availability, security, legality, or practices.

18.2 Promotional rewards may be conditioned on completing specified actions and may require verification. Betlien may deny or reverse rewards for incomplete, fraudulent, automated, duplicated, manipulated, or unverifiable activity. Users must not create fake engagements, misrepresent completion, or violate third-party platform rules.

18.3 Any material conditions, eligibility rules, limits, and reward descriptions displayed for an offer form part of that offer. Betlien may correct obvious errors and discontinue offers prospectively, subject to applicable law.

19. Intellectual Property and Feedback

19.1 Betlien names, logos, characters, NHIs, visual assets, interfaces, code, stories, sounds, and other materials are protected by intellectual property and other laws. No license is granted except the limited use license in these Terms.

19.2 If you submit feedback, suggestions, concepts, feature requests, or ideas, you grant Betlien a perpetual, irrevocable, worldwide, royalty-free, transferable, sublicensable right to use, modify, commercialize, and incorporate them without restriction or compensation, to the extent permitted by law.

19.3 If you believe content in the Services infringes your copyright or other rights, email betliengalactic@gmail.com with sufficient information to identify the work, the allegedly infringing material, your contact details, your basis for claiming rights, and any legally required statements. We may remove content and terminate repeat infringers where appropriate.

20. Service Availability, Updates, and Discontinuation

20.1 The Services may be updated, patched, modified, interrupted, suspended, or unavailable at any time. Betlien does not guarantee uninterrupted operation, compatibility, retention of data, continued availability of any feature, or error-free service.

20.2 Betlien may add, remove, replace, rebalance, or discontinue any feature, game mode, item, storyline, season, community space, wallet function, payment offering, or Service. Betlien may also reset seasons, leaderboards, progression, economies, or test environments.

20.3 Betlien may stop operating all or part of the Services. Where reasonably practicable and legally required, Betlien may provide notice or a transition period. Purchased Virtual Content is access-dependent digital content and may become unavailable when the Services end. No perpetual access or ownership is promised.

20.4 Betlien may rebalance, modify, rename, replace, or discontinue paid digital items and their in-game effects. Betlien will not knowingly charge for an item and then fail to deliver the purchased item or disclosed functionality without providing an appropriate correction where required by law or applicable platform rules.

21. Suspension and Termination

21.1 Betlien may restrict, suspend, or terminate your Account or access immediately, with or without notice, if we reasonably believe you violated these Terms; created legal, sanctions, fraud, financial-crime, security, payment, or platform risk; engaged in abuse or Illicit Activity; are or may be a Prohibited Person; used the Services from or for the benefit of a Prohibited Country in violation of applicable restrictions; owe amounts; misused purchases or refunds; failed a reasonable verification request; or threaten the integrity or reputation of the Services.

21.2 Upon suspension or termination, your license ends and, to the maximum extent permitted by law, you may lose access to your Account, Virtual Content, progress, referral status, social features, and data without compensation.

21.3 You may stop using the Services at any time. Termination does not relieve obligations or liabilities accrued before termination. Provisions that by nature should survive will survive, including ownership, disclaimers, liability limitations, indemnification, dispute terms, and enforcement rights.

22. Account Deletion and Inactivity

22.1 You may request Account deletion by emailing betliengalactic@gmail.com. We may require reasonable verification before processing the request.

22.2 Deleting an Account may permanently remove game progress, Betlien Coins, digital items, referral status, rankings, and other Account data without compensation or restoration. Betlien may retain records required for legal compliance, payment reconciliation, security, fraud prevention, dispute resolution, enforcement, backups, and other legitimate purposes described in the Privacy Policy.

22.3 Betlien may delete, reset, archive, or restrict an Account after at least 12 consecutive months of inactivity, where permitted by law and after reasonable notice when practicable. Inactive Accounts may lose Virtual Content, usernames, progression, or access rights.

23. Third-Party Links, Services, and User Disputes

23.1 Links and integrations are provided for convenience. Betlien does not control and is not responsible for third-party sites, content, wallets, advertisements, communities, services, transactions, security, or privacy practices.

23.2 Your dealings with other users or third parties are solely between you and them. To the maximum extent permitted by law, you release Betlien and its affiliates, personnel, contractors, and service providers from claims arising from disputes between users or with third parties, except to the extent caused by Betlien's own conduct that cannot lawfully be excluded.

24. Disclaimers

24.1 TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE," WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, QUIET ENJOYMENT, ACCURACY, AVAILABILITY, SECURITY, OR ERROR-FREE OPERATION.

24.2 BETLIEN DOES NOT WARRANT THAT THE SERVICES WILL MEET YOUR EXPECTATIONS; THAT GAMEPLAY, PURCHASES, RANDOMIZED OUTCOMES, PROGRESSION, WALLET FEATURES, OR THIRD-PARTY SERVICES WILL BE AVAILABLE OR UNINTERRUPTED; THAT DATA OR VIRTUAL CONTENT WILL NEVER BE LOST; OR THAT DEFECTS WILL BE CORRECTED.

24.3 NO ORAL OR WRITTEN INFORMATION CREATES A WARRANTY NOT EXPRESSLY STATED IN THESE TERMS. SOME JURISDICTIONS DO NOT ALLOW CERTAIN DISCLAIMERS, SO SOME OF THE ABOVE MAY NOT APPLY TO YOU.

25. Limitation of Liability

25.1 TO THE MAXIMUM EXTENT PERMITTED BY LAW, NHI TECH, LLC, BETLIEN, AND THEIR AFFILIATES, MEMBERS, OWNERS, OFFICERS, MANAGERS, EMPLOYEES, CONTRACTORS, AGENTS, LICENSORS, AND SERVICE PROVIDERS WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES; LOSS OF PROFITS, REVENUE, DATA, GOODWILL, BUSINESS, OPPORTUNITY, DIGITAL ITEMS, OR EXPECTED BENEFITS; PERSONAL DEVICE DAMAGE; OR COST OF SUBSTITUTE SERVICES, ARISING FROM OR RELATED TO THE SERVICES, EVEN IF ADVISED OF THE POSSIBILITY.

25.2 TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE TOTAL AGGREGATE LIABILITY OF NHI TECH, LLC, BETLIEN, AND THE PARTIES LISTED ABOVE FOR ALL CLAIMS ARISING OUT OF OR RELATING TO THE SERVICES OR THESE TERMS WILL NOT EXCEED THE TOTAL AMOUNT YOU PAID TO BETLIEN THROUGH THE SERVICES DURING THE 12 MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

25.3 The limitations apply regardless of the legal theory and even if a remedy fails of its essential purpose, to the maximum extent permitted by applicable law.

25.4 To the maximum extent permitted by law, no member, manager, officer, employee, contractor, or agent of NHI Tech, LLC has personal liability for an obligation arising under these Terms or the Services solely because of that person's status or role. The limitations in this Section are an essential basis of the agreement between you and NHI Tech, LLC.

26. Indemnification

To the maximum extent permitted by law, you agree to defend, indemnify, and hold harmless NHI Tech, LLC, Betlien, and their affiliates, members, owners, personnel, contractors, agents, licensors, and service providers from claims, losses, liabilities, damages, judgments, penalties, costs, and reasonable legal fees arising from or related to: (a) your use or misuse of the Services; (b) your User Content; (c) your breach of these Terms; (d) your violation of law, Sanctions, platform rules, or third-party rights; (e) false eligibility, identity, residency, location, ownership, or control information; (f) sanctions circumvention, fraud, Illicit Activity, or unauthorized transactions; or (g) disputes caused by your conduct. Betlien may control the defense and settlement of any covered matter, and you will cooperate reasonably.

27. Governing Law and Dispute Resolution

27.1 Informal Resolution

Before starting arbitration or a court proceeding, you and NHI Tech, LLC agree to attempt in good faith to resolve the dispute informally for at least 30 days after written notice. Notices to NHI Tech, LLC must be sent to betliengalactic@gmail.com and must identify the claimant, relevant Account or Telegram identifier, material facts, requested relief, and contact information. This requirement does not prevent urgent applications for temporary injunctive relief, eligible small-claims matters, or claims that would otherwise become time-barred.

27.2 Governing Law and Wyoming Domicile

NHI Tech, LLC is a Wyoming limited liability company domiciled in the State of Wyoming. To the maximum extent permitted by law, these Terms, their formation, and all disputes arising out of or relating to them or the Services are

governed exclusively by the laws of the State of Wyoming and applicable federal law, without regard to conflict-of-law rules. The Federal Arbitration Act governs the interpretation and enforcement of the arbitration provisions below.

27.3 Individual Arbitration for United States Users

Except for disputes excluded in Section 27.7, and except where prohibited by applicable law, any dispute between a United States user and NHI Tech, LLC arising out of or relating to these Terms, the Services, an Account, a purchase, Virtual Content, advertising, wallet connectivity, or the parties' relationship will be resolved by binding arbitration on an individual basis. Arbitration will be administered by the American Arbitration Association under its applicable Consumer Arbitration Rules then in effect. If that provider is unavailable or declines to administer the matter, the parties will attempt to select another recognized provider; failing agreement, a court of competent jurisdiction may appoint one as permitted by the Federal Arbitration Act.

The arbitration may proceed by video, telephone, written submissions, or an in-person hearing as the arbitrator determines under the applicable rules. To the maximum extent permitted by law, any in-person hearing will occur in Laramie County, Wyoming. NHI Tech, LLC will pay arbitration fees it is required to pay under the provider's consumer rules or applicable law. The arbitrator may award the same individual remedies a court could award, but may not consolidate claims or preside over a class, collective, mass, coordinated, private-attorney-general, or representative proceeding unless all affected parties agree in writing.

27.4 Arbitration Opt-Out

You may opt out of Section 27.3 by emailing betliengalactic@gmail.com within 30 days after you first accept the version of these Terms containing the arbitration provision. The notice must use the subject line "Arbitration Opt-Out" and include your full name, Telegram username or identifier, and a clear statement that you opt out of arbitration. Opting out will not affect other Terms or your access to the Services. A timely opt-out applies only to the Account and person identified in the notice.

27.5 Class and Representative Action Waiver Where Permitted

TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH PARTY AGREES TO BRING CLAIMS ONLY IN ITS INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF, CLASS MEMBER, OR REPRESENTATIVE IN A CLASS, COLLECTIVE, MASS, COORDINATED, CONSOLIDATED, PRIVATE-ATTORNEY-GENERAL, OR REPRESENTATIVE ACTION.

27.6 Jury Trial Waiver Where Permitted

TO THE EXTENT A DISPUTE PROCEEDS IN COURT AND TO THE EXTENT PERMITTED BY LAW, YOU AND NHI TECH, LLC KNOWINGLY AND VOLUNTARILY WAIVE ANY RIGHT TO A TRIAL BY JURY.

27.7 Exceptions; Courts and Venue

Either party may bring an eligible individual claim in small claims court. Either party may seek temporary or preliminary injunctive relief in court to prevent actual or threatened infringement, unauthorized access, security abuse, fraud, sanctions evasion, or misuse of intellectual property or confidential information, without waiving arbitration of the remaining dispute. To the maximum extent permitted by law, all disputes not subject to arbitration are subject to the exclusive jurisdiction of the state courts located in Laramie County, Wyoming, and the United States District Court having jurisdiction over Laramie County, Wyoming.

27.8 Time Limit

To the maximum extent permitted by law, a claim arising out of or relating to the Services or these Terms must be commenced within one year after the claim accrued, or it is permanently barred. This contractual period does not apply where contractual shortening of the applicable limitations period is prohibited by law.

28. Changes to These Terms

28.1 Betlien may update these Terms to reflect changes in the Services, law, platform requirements, security needs, or business practices. The updated Terms will state a new effective date and may be posted through the Services or official channels.

28.2 Where required by law, Betlien will provide notice or seek consent. Otherwise, continued use after the effective date constitutes acceptance. If you do not agree to updated Terms, stop using the Services and request Account deletion.

28.3 A change to a Restricted Jurisdictions Notice or eligibility restriction may take effect immediately where reasonably necessary to comply with law, Sanctions, a court or governmental direction, platform or provider requirements, or an urgent security or fraud risk. Otherwise, changes apply prospectively. Continued use after the applicable effective date constitutes acceptance only to the extent permitted by law.

29. Governmental Requests and Regulatory Compliance

29.1 Betlien may preserve, access, review, use, or disclose information when reasonably believed necessary to comply with law, legal process, court orders, regulatory requirements, sanctions, export controls, platform obligations, or lawful governmental requests; investigate fraud, abuse, security incidents, or Illicit Activity; enforce these Terms; or protect users, Betlien, third parties, or the public.

29.2 Betlien may cooperate with regulators, law-enforcement agencies, courts, tax authorities, telecommunications or platform authorities, sanctions administrators, and other competent bodies. Nothing in the Services should be interpreted as an attempt to avoid or override applicable requirements of the FTC, FCC, OFAC, Competition Bureau Canada, consumer-protection authorities, privacy regulators, gaming authorities, securities or financial regulators, or any other authority with jurisdiction.

29.3 References to any authority do not imply that the authority regulates, approves, endorses, licenses, or has reviewed Betlien. The applicable regulator depends on the feature, user, location, and law.

30. General Provisions

30.1 Entire Agreement. These Terms, the Privacy Policy, and applicable supplemental rules are the entire agreement regarding the Services and replace prior or contemporaneous understandings on the same subject.

30.2 Severability. If any provision is held invalid or unenforceable, it will be enforced to the maximum lawful extent and the remaining provisions will remain in effect. An invalid provision will be modified only as necessary to make it enforceable while preserving its purpose where possible.

30.3 No Waiver. Failure to enforce a provision is not a waiver. A waiver must be in writing and applies only to the specific instance stated.

30.4 Assignment. You may not assign or transfer these Terms or rights under them without Betlien's prior written consent. Betlien may assign these Terms in connection with a reorganization, financing, merger, acquisition, sale of assets, change of control, or transfer of the Services, subject to applicable law.

30.5 Force Majeure. Betlien is not liable for delay, interruption, or failure caused by events beyond reasonable control, including internet or platform outages, cyberattacks, labor disputes, natural disasters, war, terrorism, civil unrest, epidemics, governmental actions, sanctions, utility failures, vendor failures, blockchain or network failures, or changes in law.

30.6 Electronic Transactions and Communications. You consent to conduct transactions electronically and to receive notices, disclosures, confirmations, and records through Telegram, the Mini App, website, email, official channels, or other electronic methods associated with your Account. A click, tap, checkbox, purchase confirmation, or similar electronic action may serve as your electronic signature and have the same legal effect as a handwritten signature where permitted by law. Electronic records satisfy writing and retention requirements where permitted, provided they remain accessible for later reference.

30.7 Language. These Terms and the related documents are prepared in English. Any translation is provided for convenience. To the maximum extent permitted by law, the English version controls in the event of a conflict or inconsistency.

30.8 Headings. Headings are for convenience only and do not affect interpretation. "Including" means "including without limitation." Singular includes plural and vice versa where context permits.

30.9 No Agency or Fiduciary Relationship. These Terms do not create a partnership, joint venture, employment, franchise, fiduciary, agency, trustee, or similar relationship between you and NHI Tech, LLC. You have no authority to bind NHI Tech, LLC or Betlien.

30.10 Intended Third-Party Beneficiaries. NHI Tech, LLC's affiliates, members, owners, officers, managers, employees, contractors, agents, licensors, platform providers, and service providers are intended third-party beneficiaries of

provisions that expressly protect, release, indemnify, or limit liability for them, including Sections 4, 23 through 27, and this Section 30.10, and may enforce those provisions to the extent permitted by law.

31. Contact

Questions, legal notices, account deletion requests, and support inquiries may be sent to NHI Tech, LLC, a Wyoming limited liability company doing business as Betlien, at:
